Hybrid Court Referrals

We are happy to announce that the Hybrid Court referral list will reopen for a limited time.

The primary factor to be considered with each referral will be the age of the case. Please keep this in mind as you are deciding which clients to refer. Admissions will occur incrementally to ensure new participants receive appropriate monitoring and service coordination as they begin Hybrid Court.

The referral list will be open from **Monday, June 13th through Friday, June 24th**. The Hybrid Court referral form is available on the Macon County Circuit Clerk's website. Please complete the referral form in full. Please email referrals to Coordinator Shalon Hyde at shyde@mcmhb.com, and CC Assistant State's Attorney Cadmus Hicks (chicks@sa-macon-il.us) and Probation Supervisor Amy Smith (asmith@probation.co.macon.il.us). **Please note, if you attempted to submit a referral while the referral list was closed, the referral will need to be resubmitted prior to 6/24/22 to be considered.**

We look forward to receiving your referrals.

Thank you,
Shalon Hyde
